

Civil Rights Training Process

For NSLP/SBP Sponsors

This serves as a reminder to local educational agencies (LEA) of their responsibilities to complete Civil Rights Training prior to the beginning of the school year for Supervisors and Managers. All other staff should be trained no later than the end of the first semester. Civil rights powerpoint trainings are available on the HCNP website. It is strongly suggested that the LEAs utilize this powerpoint for their staff training to ensure full compliance with current regulations.

Keep in mind that all agencies in receipt of Federal funds are required to be compliant with current Civil Rights regulations. Failure to meet regulations could result in fiscal action against the LEA.,

For SFSP and CACFP Sponsors

This serves as a reminder to SFSP and CACFP Sponsors of their responsibilities to complete Civil Rights Training prior to the beginning of the school year for Supervisors and Managers. All other staff should be trained no later than the end of the first semester. Civil rights powerpoint trainings are available on the HCNP website. HCNP also utilizes Brighton software for SFSP and CACFP Civil rights sponsor training. We strongly recommend that SFSP and CACFP sponsors utilize the Brighton Module for Civil Rights Training to be in full compliance with current regulations.
