SUBJECT: Schedule for Submitting Online Reimbursement Claim Data

The Code of Federal Regulations for the National School Lunch Program [7 CFR 8210.8(b)(1)] outlines the time limits for submitting claims for reimbursement to state agencies by sponsors. The due date for the claim form is the 10th of the month following the last day of the month covered by the claim. Final claims, including revisions, must be submitted no later than 60 days following the last day of the month covered by the claim. Claims not filed or corrected within the 60 days are at risk of not being paid.

Timely payment: Sponsors must adhere to HCNP's "Schedule for Submitting Claims for Reimbursement" on page 2 of this memo to ensure timely payment of claims. A claim that is entered after the due date noted in column 2 of this schedule cannot be processed until the next month.

Sponsors must ensure that monthly reimbursement claims are entered and submitted for payment in HCNP Systems by the deadline, scheduled according to Mountain Standard Time, to ensure timely payment.

Late Claims: Although sponsors may prepare and submit a claim in the HCNP System at any time that the system is open, a claim that is submitted after the final deadline (column 4 of the HCNP's "Schedule for Submitting Claims for Reimbursement") is at risk of not being paid.

Claim Consolidation: The claim for reimbursement for any month must include only meals, snacks, or milk served in that month. The only exception for claiming meals outside of the month being claimed is when the first or last month of Child Nutrition Program operations contains 10 operating days or less. In this case, sponsors have the option of combining those days with the appropriate adjacent month. For example, if a sponsor serves six operating days in August, the sponsor may opt to combine those meal counts with the September claim.

Considerations for Submitting Claims

1. Claims are due (received by HCNP) by the date in column 2 of the "Schedule for Submitting Claims for Reimbursement." Claims received by this date will be processed for timely payment by the date listed in column 3.
2. Claims (original or revised) must be submitted online by the date in column 4 (final deadline) to be eligible for receiving reimbursement.
3. HCNP has the authority to approve a one-time exception over a 36-month period for reimbursing a valid, late monthly claim. The one-time exception must be from the federal fiscal year (October 1 through September 30) to which the claim applies. To be considered for payment, one of the two approved authorized signers must submit a request for the one-time exception (including a corrective action plan) no later than December 15, 2022. For additional guidance, contact Hawaii Child Nutrition Programs.
